2023-07-30

## **Abstract**

Ahoy

## **1 Introduction**

### **1.1 Outline**

## **2 An Informal Framework**

## **3 A Formal Framework**

## **4 Some Basic Theory**

## **5 Examples**

### **5.1 Encryption from Pseudorandom Functions**

### **5.2 The KEM-DEM Paradigm**

### **5.3 IND-CPA Secure KEMs from Group Assumptions**

## **6 Further Work**

### **6.1 A Framework for Protocols**

### **6.2 Categorical Structure**

### **6.3 Alternative Interpretations**

## **7 Conclusion**

**H Foo**
